**WEST VIRGINIA BULLETIN NO:** WV300-7-22

**SUBJECT:** LTP 2007 WHIP Practice Cost List

**Purpose:** To Distribute Updated 2007 WHIP Practice Cost List.

**Expiration Date:** September 30, 2007

The revised [2007 WHIP Practice Cost List](#) incorporates a component for the establishment of Red Spruce seedlings under the Tree and Shrub Establishment practice. Please utilize the attached formatted version of the new list in your WHIP contract development. A Toolkit friendly version of the cost list has been transmitted separately. Please save the Toolkit version into the directory with your existing cost lists. ProTracts is already updated. Existing contracts are not affected as the addition of the Red Spruce seedling component is the only change to the prior list.

If you have any questions regarding this policy, please contact Herbert Andrick, ASTC-Programs at (304) 284-7560.
